A high-contrast, black and white micrograph showing a dark, granular surface. The surface is covered with numerous small, light-colored, irregularly shaped particles or inclusions. In the upper left corner, there is a white rectangular label with the text "Fig. 13A" written in black ink. The label also contains some faint, illegible markings and a small number "13" in the bottom right corner.

Fig 133

A dark, grainy image, possibly a scan of a document page. In the top left corner, there is a small, light-colored rectangular label with the text "Fig. 13C" written on it. The rest of the image is very dark and noisy, with many small white specks and artifacts, making the main content illegible.

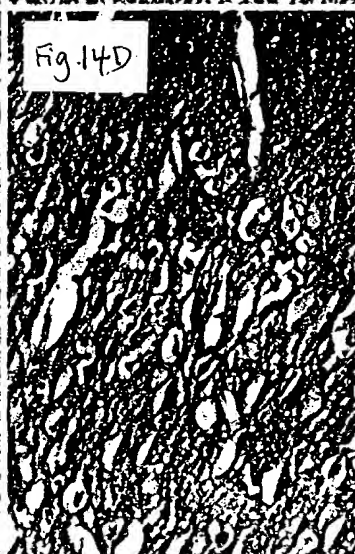

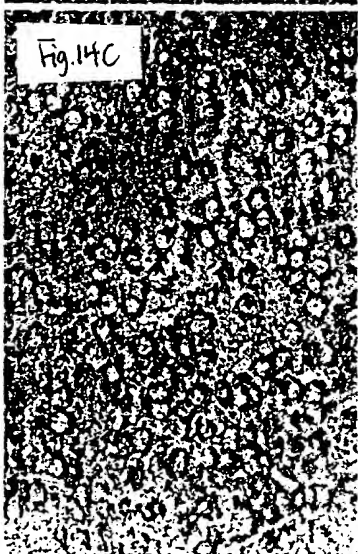

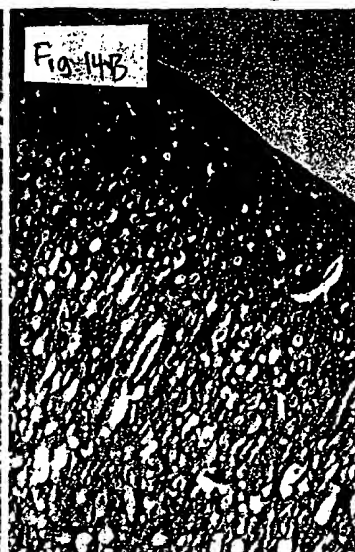

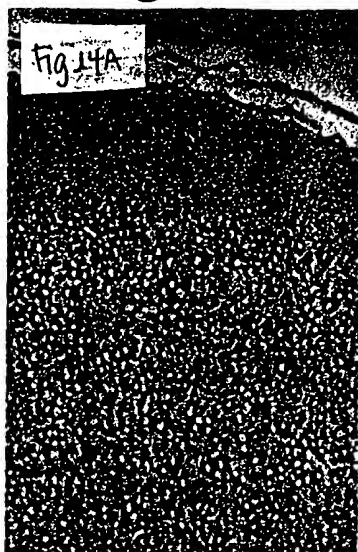

A high-contrast, black and white micrograph showing a dark, granular surface. The surface is covered with numerous small, light-colored, irregularly shaped particles or grains. In the top left corner, there is a white rectangular label with the text "Fig. 13D" written in black ink. The overall texture is rough and heterogeneous.
